2025 MEDIA KIT

WHO WE ARE & WHAT WE DO

THE FLY-ND QUARTERLY IS THE OFFICIAL PUBLICATION OF THE NORTH DAKOTA AVIATION ASSOCIATION.

Founded in 1983, the North Dakota Aviation Association (NDAA) seeks to serve aviation professionals by providing a forum for the exchange of information, ideas, and experience among their peers: pilots, agricultural operators, airport managers, Fixed Base Operators (FBO), aviation mechanics, educators, aviation museums in Fargo and Minot, ND, and the rapidly growing Unmanned Aerial System (UAS) community.

Our publication has been in existence for more than twenty years, providing the North Dakota aviation community with relevant news, stories, and educational information happening locally, state-wide, and on the national scene. Our print edition is for NDAA members, while our digital publication is free and available for everyone at <https://issuu.com/flyndquarterly>.
